CHEESE SELECTION - 7.50

Cornish Yarg

A semi-hard cow's milk cheese made in Cornwall. The texture varies from creamy and soft immediately under the nettle coating to a Caerphilly cheese-like crumbly texture in the middle.

Colston Bassett

One of the smallest dairies in the United Kingdom, they make their pasteurized cow's milk Stilton the traditional way, thus, the texture of Colston Bassett Stilton is more luscious, creamy and full-bodied and the flavour, complex and deep.

Tunworth

Our own, very British, Camembert – a soft, white-rinded cheese wonderfully reminiscent of its French cousin.
